- Address traffic light issues (around Bridge St and Main St)
- Downtown revitalization
- Create more public toilets for tourists
- Bring back farmers market
- Grow technology on buildings
- Develop a comp plan for the business community
- Help define the area behind the stores on the water
- Recycle business and tourist trash
- Enforce noise abatement ordinances downtown and egress streets

Most teams do not use these grass fields often anymore for the school as seen in the turf. If it has to be shared or split, teams get at different times, seldom using these areas. Obviously, it's more open to the public, however, a multi-purpose field in one area better promote efficiency.
